Mumbai**

One roof. Every player shaping the future.

Ovionix 2027 brings education leaders, industry pioneers, innovators, policymakers, startups, investors and international institutions together in one place. It is where ideas meet opportunities, collaborations spark innovation, and nations build the future side by side.

Global Collaboration

Meaningful connections across borders.

Knowledge Exchange

Thought leadership and future insights.

Innovation & Entrepreneurship

Ideas with the power to create impact.

Sustainable Future

Building a better world, together.

Why Edusphere

Collaboration has become the real competitive advantage.

Education and industry must meet to build a workforce ready for what's next.

Innovation drives economies and reshapes societies.

Governments and institutions are seeking partnerships that matter.

Edusphere is built to be the catalyst for impactful change

What happens at Edusphere
